

# YOUR OWN SPACE

## ABOUT THE HOME

Our home offers spacious interiors, large bedrooms, and large outdoor area over 2 levels plus a backyard.

The home is staffed by support workers with mental health, intellectual disabilities, and manual handling experience.

We can provide around-the-clock support to any participants with low or high care needs.

Our home can accommodate 4 participants residing together and building their independence.

This is the perfect new home for male/female NDIS participants who has been living with psychosocial or intellectual disabilities.

## MAKING AN ENQUIRY

We understand that choosing where you live is a big decision and therefore invite you and your family to come and visit the property. You can also have the chance to talk to our team about the supports you are looking .
